

**PERIODIC  
TABLE OF FOOD  
INITIATIVE**

UNLOCKING FOOD COMPOSITION TO REVOLUTIONIZE  
HUMAN AND PLANETARY HEALTH

# Engaging the Mass Spectrometry Community in the Development of a Democratized Foodomics Technology Platform

## **EVENING WORKSHOP**

at the 2022 ASMS Annual Conference

**Wednesday, June 8**  
**5:45 - 7:00pm CST**  
**Minneapolis Convention Center**

### Attending ASMS 2022?

Join us for an evening workshop where we will provide an overview of the Periodic Table of Food Initiative, share our innovative approach to the technology development supporting this initiative, and encourage an interactive Q&A session with our audience.

### PRESENTERS

**Jessica Prenni, PhD**  
Professor, Colorado State University

**Steve Watkins, PhD**
